

# Attending a Service at Columbia Gardens Cemetery

Please enter the cemetery through the main entrance at 3411 Arlington Boulevard. Family and friends may arrive up to 15 minutes prior to the scheduled service time. A staff member will greet you and instruct you to lineup along the right side of the driveway to form the vehicle procession.

The cemetery car will guide all attendees to the site of the service. This procedure ensures that everyone arrives at the same time and allows us to give priority to immediate family, officiants and funeral home vehicles.
